# VALUATION OF INVESTMENT PROPERTIES, OWNER-OCCUPIED PROPERTIES AND REGISTERED (IMMOVABLE PROPERTIES) SECURITIES ON LOANS FOR THE FREE STATE DEVELOPMENT CORPORATION

## 1. Introduction

The Free State Development Corporation (FDC) is a public entity established in terms of the FDC Act 6 of 1995. In terms of the Public Finance Management Act, it is classified as a schedule 3D entity.

The mandate of the FDC is to establish and develop sustainable SMMEs in the Free State Province by providing both financial and non-financial support services.

### FDC Mission

To provide financial and business support services to SMME's and Cooperatives; to undertake the development and management of properties; and to facilitate and promote investments and exports in the Free State Province.

### FDC Vision

To be the development and investment agency of choice in contributing to the economic growth of the Free State Province.

**NOTE:** For the purpose of comparison and in order to ensure a meaningful evaluation, bidders must submit detailed information in substantiation of compliance to the evaluation criteria mentioned.

A bidder/s that score less than **80 points** out of 100 in respect of functionality will be regarded as submitting a non-responsive bid.

Bidder/s that meets the minimum required percentage or minimum points, will be evaluated in terms of price and preference as per the PPPFA Act, No.5 of 2000 and its associated Regulations issued by the National Treasury 2022.

## **1. Background and motivation**

FDC has a property portfolio in various districts within the borders of the Free State Province. As a result, it is required by its Asset Management policy to evaluate both its investment properties and owner-occupied properties on annual basis to ensure that such properties are disclosed at fair values as at year end.

## **2. Scope of work**

Thabo Mofutsanyane

Fezile Dabi

Mangaung Metro

Xhariep

All properties must be valued individually and there must be a separate report for each building or site before a full valuation report is completed and submitted. The service provider must make use of SG diagram or anything equivalent. This would assist in identifying ERF's that have been consolidated, furthermore the service provider must reconcile its own deeds search with investment property register

3.2. Commercial Properties

3.3. Industrial Properties
